Staff members Maureen Mitchell and Lori Misuraca were in attendance

<p><b>A Zoom meeting was called to order at 7.00 pm by Vice-President Michael Vancea</b></p>
--

Meeting was called to discuss the viability of running a soccer programme for the 2020 outdoor Season.

After much discussion the following motion was made by MacGregor Austin-Olsen and seconded by Mike Binns:

That the entire 2020 outdoor season for House League players is to be cancelled.

That families are to be offered a 100% refund of their registration fees.

That families who have already received a refund be also refunded the \$25.00 admin fee.

That families who wish to leave their registration fee with SYS will be registered for 2021.

The motion was passed unanimously.

After further discussion the following motion was made by Mike Vancea and seconded by Delia Campbell:

That the entire 2020 outdoor season for Travel Teams players is to be cancelled.

The motion was passed unanimously.

It was moved by Tony Hunter and seconded by MacGregor Austin-Olsen that:

That families are to be offered a 100% refund of their registration fees.

That families who have already received a refund be also refunded the \$50.00 admin fee.

That families who wish to leave their registration fee with SYS will be registered for 2021.

The motion was passed unanimously.

A discussion was held regarding travel team coaches who wished to still hold practices.

It was decided that coaches wishing to practice with their teams would be working outside of the jurisdiction of SYS. Coaches would be informed of this and would be advised to follow the protocols established by Ontario Soccer.

Maureen will ask for a refund from SWRSA for the travel teams that have been registered.

It was suggested, should restrictions be lifted in time, that small inter-club games may be organized.

**Next meeting date and time are to be decided as circumstances dictate.**
